Technical comments:⁴

The Commission staff notes that, as shown on page 1 of this report, “CAS No.” should be singular in the article description of heading 9902.29.70.

⁴ The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
